

PHONEBOOK PROGRAM

Main Page

The screenshot shows a desktop application window titled "Phonebook Application". The interface is divided into several sections:

- Search Contacts:** A section at the top with a "Search:" label, a text input field, and a "Search" button.
- Add New Contact:** A section on the left containing two input fields labeled "Name:" and "Number:", and an "Add Contact" button.
- Contact List:** A large, empty rectangular area on the right side of the window.
- Action Buttons:** Three buttons are stacked vertically on the left side below the "Add New Contact" section: "Delete", "Update", and "Sort".

It will show that the contact Red France is deleted from the contact list

The image shows a window titled "Phonebook Application" with standard Windows window controls (minimize, maximize, close). The application interface is divided into several sections:

- Search Contacts:** A section at the top containing a "Search:" label, a text input field with the value "Red", and a "Search" button.
- Add New Contact:** A section on the left containing two input fields labeled "Name:" and "Number:", and an "Add Contact" button.
- Delete:** A light blue button with a dashed border, located below the "Add New Contact" section.
- Update:** A light blue button located below the "Delete" button.
- Sort:** A light blue button located below the "Update" button.
- Contact List:** A large white rectangular area on the right side of the window, containing the text "Grey Tom: 07446475".

Update

The screenshot displays the 'Phonebook Application' window. It features a 'Search Contacts' section with a search bar containing 'Red' and a 'Search' button. Below this is the 'Add New Contact' section with input fields for 'Name' (Grey Tom) and 'Number' (07446475). To the right is the 'Contact List' showing 'Grey Tom: 07446475' as the selected contact. An 'Update Contact' dialog box is overlaid in the center, containing a question mark icon, the contact's name and number, and 'OK' and 'Cancel' buttons. At the bottom of the main window are 'Update' and 'Sort' buttons.

Sort

The image shows a 'Phonebook Application' window. It features a search bar at the top with the text 'Red' and a 'Search' button. Below this is a section for adding new contacts with fields for 'Name' and 'Number', and an 'Add Contact' button. To the right is a 'Contact List' displaying six contacts sorted alphabetically by name. At the bottom left are three large buttons: 'Delete', 'Update', and 'Sort'. The 'Sort' button is highlighted with a blue border and a light blue background.
